

## CLIENT EXPERIENCE

### Trusted partner

---

This company is known as a visionary in its sector. It is continuously working to use technology to bring its services closer to its customers. In order to support their multiple IT projects they wanted to establish a testing competency center within the company. Due to our reputation for excellence in the field of testing and our proximity to their offices they chose Itecor to build this organization with them. Today, we support multiple key projects with Test Managers, Performance Testers and Test Automation experts.
